Little Bit of News

I apologize for this not being a regular newsletter. Things have been a little bit helter skelter in my life and my schedule got really messed up. I will make it up to you next month.

The calendar attached to this news page should be the last blank one (I hope). Cross your fingers that we can start having things in the clubhouse soon.

The pool is not open yet but will be as soon as the county gives us the guidelines and we figure out how to implement them.

It looks like we will be having some road work done starting the end of the second week of June. **They are not doing driveways at this time!** More information will be coming out to you as we get closer to the date.

Normally we have a 4th of July Barbecue here in the clubhouse for everyone. We are in the process of how to do it and still be compliant with all the rules, etc. that we have to follow.

Happy Father's Day to everyone!!!
