Welcome to our new residents! Let's be sure to get to know our new neighbors and invite them to all the activities around the park!

### Pet Patrol

For the last few weeks, we have been building a Bark Park where 'Poop' Alley used to be. There are toys for your animals to sniff and play on, a watering station (coming soon), benches for you to sit on while your pet plays and Poop Stations with plastic bags so you can clean up after your pet. We had double gates installed so you can go in and come out without letting anyone else's pet get loose.

If you haven't seen it yet, take a look. I think our Maintenance crew has done a great job in putting it together. Thank you to Cary, Christian, Angelo and especially Steve for all the hard work. Also thank you to John and Jaime Riegel for the design.

There will be a grand opening soon. More information on that when I get it.

Till Next Time -
